ABOUT 10 DC MEN FACE SEPTEMBER DRAFT CALL

354 SM County Boys
To Be Called Up

Facing almost immediate call into the armed forces today were the 84 men who took their pre-induction physical and mental tests Wednesday.

Those who passed the test are expected to be inducted within the next month. No figures were available, but at least 10 of the men who took their physicals Wednesday were from the Daly City area.

The 84 young men, from the 23, 24 and 25-age group were all from the northern part of San Mateo county.

In addition, State Selective headquarters earlier this week ordered the local draft board to deliver 387 more men to San Francisco next month for pre-induction exams.

The new men will be taken from the 1-A's in the 22 year age group, Mrs. Virginia Anderson, coordinator of the local boards, said.

A total of 10,071 men will be called up for exams in the state, and out of the new pool 2,949 registrants will be sent into the army to meet the October California draft quota.

Er... We Left Our Cash With A Thief

A stealthy, silent burglar made his way in and out of the Fred Higgins home, 146 Woodrow St., Sunday night stealing \$13 from Higgins' wallet and \$9 from Mrs. Higgins' purse.

The "efficiency" of the thief was testified to by a red faced Mr. and Mrs. Higgins when they went to pay for their lunch Monday.

Both dug down into their respective money containers to pay for the lunch. They came up with nothing and the sudden realization that the previous evening they had been burglarized.

Higgins told police that he and his wife had put their wallets and purse on the dining room table before going to bed. Evidently, the thief entered the home, scooped up the money and left. He also took Higgins' lighter.

Oh, yes, Tuesday the Higgins returned to the lunch counter and paid for their meal.

Dry Cleaning Prices Up 10 To 15 Cents

Dry cleaning prices went up 10 to 15 cents in Daly City and San Francisco Monday.

Rising costs of labor and materials was the reason given for the increase. Warren Cochran, president of the Cleaners and Dyers' Association, said materials have gone up as much as 50 to 60 percent since the industry raised prices four years ago.

Also, Cochran asserted that the cleaners' union recently won 6-cent hourly wage boost forced the industry to raise prices.

HOW IT LOOKS FROM A CORNER

By BILL KATZ

Do you have any questions concerning the September 29 school bond issue to build 64 new classrooms in Daly City?

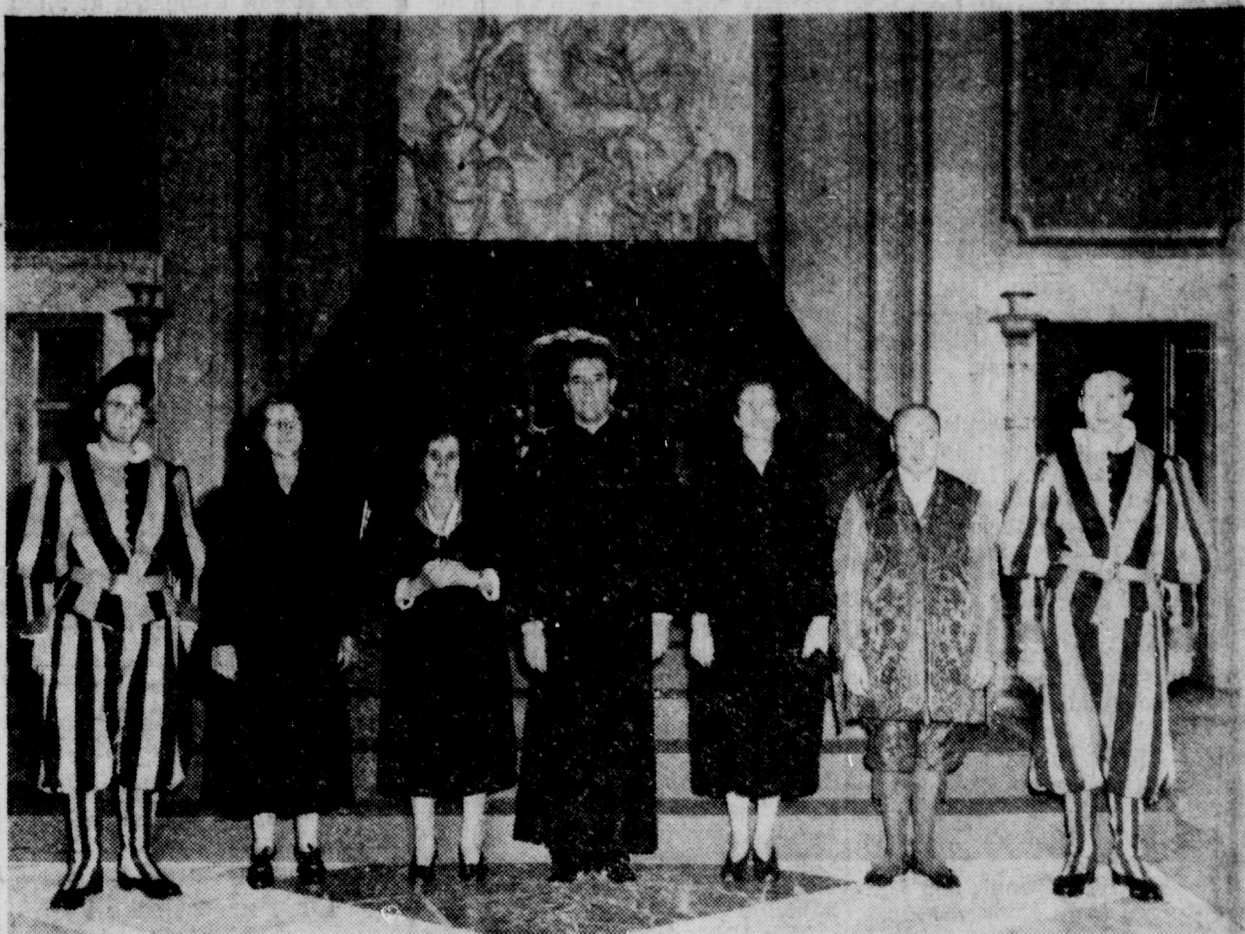

If so, write us, and we, equipped with the facts which warrant only a "yes" vote September 29, will do our best to answer those queries.

In this way we hope to bring out into the open any possible doubts which might endanger the passing of the bond issue.

Although we usually aren't dogmatic about items of public interest, we fail to see how anyone could possibly vote "no" September 29. Those who question this opinion are asked to declare themselves...we'll be waiting for your letters.

Speaking of kids and their welfare, we wonder how many people (Continued on Page 2)

Fathers And Sons Step Into Uniform

Daly City's father and son combination are really doing their share these days for national defense.

Battery "B," 149th Anti-Aircraft reports this week that two Daly City families are well represented in that organization.

Serving in the unit are: Sgt. 1/C Alfonso C. Moreno, and son, Cpl. Philip Moreno, of 338 Irvington street.

Sgt. Lancelotti Barker, and son, Pfc. Thomas Barker, of 34 Rhine street.

Also, Pfc. George Rodriguez, cousin of Philip Moreno, is serving with the unit.

San Mateo County Tax Rate Up 11c Additional Welfare Cost Causes Raise

San Mateo county's basic tax rate will be up 11 cents for the 1950-51 fiscal year, the county board of supervisors announced today.

The new tax rate will be \$1.92 as compared to last year's \$1.81 on each \$100 of assessed property. The rate will be officially set Monday by the board.

All residents of the county, including those in the Daly City area, are affected by the tax. In addition, residents will have to pay a 6-cent library tax.

Controller Fred Beer said the tax boost could be accounted for by:

FED. GOVERNMENT TO OUTLINE DC DEFENSE PLANS

Outline Expected
From Washington Soon

Daly City, as well as the whole of San Mateo county, was waiting word today from Washington, D. C. as to what steps should be taken to reorganize the World War II defense council.

The federal government is to release its civilian defense plan about September 1. Supervisor Edward B. McDonald said this week.

To date the following steps have been taken for local defense:

1. Within the next 30 days Daly City will reactivate its defense council. Men will be named to definite positions on the council and will be prepared at a minute's notice to spring into action.

2. The county has notified the state disaster council that it will cooperate in its plans.

3. Also, the county has submitted the names of three men who will act as supervisors for three air raid and plane warning stations which will be set up at Half Moon Bay, La Honda and Pescadero.

Register Now For Nov. Election

County Clerk W. H. Augustus today urged residents who are not registered now, or those who have moved and must re-register, to register without delay so they may be eligible to vote at the November 7 general election.

"Only four weeks remain in which to register or re-register from new addresses," said Augustus.

The final date for registering for the important general election is Thursday, September 14. Registration qualifications — American citizenship, 21 years of age or older, 1 year's residence in the State, in San Mateo county 90 days, and in the precinct 54 days prior to the day of election.

One hundred and sixty registration deputies are conveniently located in all areas of the county. Registrations will be taken at the offices of all city clerks, and by the following deputies:

Claudio Cattori, 7316 Mission street.

Peter J. Markovich, 6454 Mission street.

Ernest E. DaRosa, 5 Wellington avenue.

Mrs. Florence K. Marliave, 165 Westdale avenue.

Frank W. Kent, 252 Los Banos avenue.

B. C. Ross, city clerk's office.

Mrs. Helen Villalba, 115 Crocker avenue.

Michael C. Callan, 2790 Junipero Serra boulevard.

E. A. Weisenberger, city clerk's office.

Thomas J. Callan, Jr., 2790 Junipero Serra boulevard.

Mrs. Virginia Marovich, 1739 Louvaine drive.

In conclusion Mr. Augustus advised, "Put your registration as a voter at the top of your list for tomorrow's duties and make certain that you will be able to exercise your American heritage on November 7 next."

CAR SMASHES MAN'S LEGS

Pinned to the wall of a garage by a car Saturday noon, Richard Britner, 33, 139 Werner, suffered two fractured legs, Junipero Serra hospital authorities, reported today.

The Daly City man was waiting for a grease job on his car at a service station at 6831 Mission when he walked in front of a machine driven by Lee Taylor, 134 Santa Cruz. Taylor's foot slipped off the clutch pedal, and the car jumped forward 10 feet to pin Britner to the wall behind the grease rack, police said.

Taylor is an employee in the garage, and was taking the car off the rack at the time of the accident.

Rushed to Junipero Serra hospital, Britner was treated for the fractured legs.

Council To Open Community Center Bid, Consider Parking Meters Monday

Several items of city-wide interest are slated for the adjourned meeting of the city council this Monday evening.

At that time bids will be opened on the \$295,000 Community Center building. To date some eight contractors have expressed interest in bidding on the job, Mayor Paul Green said.

What effect the current war will have on the construction costs of the building have not yet been determined.

Also of great interest will be the report by Orrin Wendling, city administrative officer, on the possibility of installing parking meters in Daly City. Several meter companies this week completed their report as to cost and positions of the parking meters.

Wendling is expected to recommend that the council proceed immediately with the installation of the meters in the Daly City business district.

The council will also adopt the map of Westlake No. 4. The map will show the subdivision as to position of streets and building sites. It is this same site over which the Ocean Shore Railroad claims it has an easement, and said property is now in the contention in a \$375,000 damage suit filed by the Railroad against Henry Doelger, Westlake developer.

Sometimes It's Possible To Be Too Spic And Span

Nancy Pera, Castle street, Colma believes in keeping her front door plate glass window completely free of dust and dirt.

In fact, the window is so clean it is sometimes difficult to tell it is a part of a door.

Nick Ciardella, 7469 Mission can testify to the aforesaid today. Last Sunday he walked out of the door. Only thing was, he thought it was open when it was closed.

Taken to Junipero Serra hospital, Ciardella was treated for a four inch cut on his right forearm. The Pera's have installed a new glass in the front door.

DC Tax Rate Approved For Fiscal Year

Daly City's tax rate for the fiscal year, 1950-51, will be \$1.322 and \$1.312, the city council announced Monday.

Last year's rate on \$100 of assessed valuation was \$1.16. The 16 cents difference is accounted for by the \$396,000 recreation bond issue passed by the people last year. There's no increase in taxes due to additional city expense.

Snell Receives American Legion Community Citation

James L. Snell, superintendent of schools for the Jefferson school district, was honored last Thursday night when he was named the recipient of the Daly City Post No. 410, American Legion Citation for Community Betterment. Each year Post No. 410 selects a local resident who has made an outstanding contribution to the community. This year's citation reads:

AMERICAN LEGION
Department of California
Citation for Community Betterment Award by Daly City Post No. 410, American Legion

to
JAMES SNELL

for outstanding and highly commendable services to the community. His extremely unselfish work with the youth of Daly City during the past year, plus devoted and active interest in the community affairs, has attracted our utmost esteem.

Both as individuals and as an organization, very much interested in community betterment, we humbly thank James Snell and offer our deepest gratitude.

George D. Jester, Post Adjutant

Peter D. Bordson, Post Commander

Snell came to Daly City two years ago from Fort Bragg where he had served as superintendent of schools from 1941 to 1948.

Presently, the superintendent is working with other interested members of the community to see a 64 new classroom bond issue is passed by a two-thirds majority of the people September 29.

11 Residents Donate Blood

Doing their share to keep up the necessary supply of blood in the San Mateo County Blood Bank, 11 Daly City and Colma residents donated the life giving fluid last month.

Permin B. Ordanez, George Bertucci and Joe Fresco were first time donors.

Second time donors included: Gino Paoli, August Masini, Bob Fontana, Martin Rist Jr., Colomb Benedetti, Paul Sanguinetti and Louis O. Nannini.

Colma resident E. L. Whitman gave his third pint of blood.

Anyone interested in donating blood is asked to contact the blood bank in San Mateo. Your blood is urgently needed, not only for those at home, but also to assist the wounded on the Korean front.

Work on a \$72,000 project for traffic channelization and signal lights will start within the next 30 days at the intersection of Highway No. 1 and Junipero Serra boulevard.

This was brought out at the regular meeting of the city council Monday night. At that time the council approved the state taking approximately \$5,000 of the city's gas tax appropriation for the project. The state will foot the bill for the remainder.

Plans call for safety islands, traffic lights, and a widening of Knowles street to connect with Highway No. 1 at the vital intersection.

This is expected to eliminate one of the greatest traffic dangers in Daly City.

Also, the extension of Knowles will give residents of the Westlake area a direct route to the heart of Daly City.

Coincidental with this project was a \$10,000 claim for damages brought against the city by H. F. Wood, 1274 Forty-first avenue, San Francisco.

On June 7, 1950, Wood's car and a police car driven by Officer Morice Benedetti collided at the aforesaid intersection.

In his claim against the city, and Officer Benedetti, Wood claims he suffered contusions of the chest, and lacerations of the mouth, chin and knee. He said the wreck was due to the "careless and negligent operation of the police car."

The city denied the claim, and (Continued on Page 2)

Mrs. Bunkley Named As CC Chairman

Mrs. David Bunkley, 53 Muirwood drive, will head the residential Community Chest drive in Daly City October 1.

This announcement was made today following the appointment of Dan Andersen as Community Chest business chairman last week.

As president of the Daly City Garden Club, and as an active participant in civic affairs, Mrs. Bunkley was the unanimous choice of the Community Chest central committee for the position of residential chairman.

She will head the one-hour drive Sunday, October 1. It is planned that Daly City's entire quota will be collected during that one hour. The quota sum has not yet been revealed.

Also, this week D. D. Harris of the Daly City Bank of America was chosen to head the finance committee. Frank Lombardi was named to the position of business chairman for the drive.

Meanwhile, the chairmen, as well as others taking an active interest in the Community Chest (which includes Mrs. Jane Keith as publicity chairman) will meet tonight, August 17, to discuss plans for the coming drive.

Peninsula Police Officer Ball Set For This Saturday

Tickets for the twenty-second annual Peninsula Police Officer's Association ball went on sale this week in Daly City.

The ball is to be held this Saturday evening, August 19, in the Bay Meadows clubhouse.

A big name orchestra has been chosen to entertain those who turn out for the dance and festival, chairmen for the event report.

In addition, there will be plenty of free, top-flight entertainment, including everything from vocalists to novelty acts.

This week officers up and down the Peninsula were spending their

spare hours decorating the club for the Saturday night festivities. As planned, it will be the closest thing next to a night club setting this side of New York's famous night spots.

All money for the dance is to be turned over to the widows and orphans aid fund. Consequently, regardless of whether you plan to attend the dance or not, why not buy a ticket? Your money will be used for a most worthy cause.

Tickets may be purchased from any Daly City police officer. This, by the way, is a novel way of getting a ticket from an officer without the need of appearing in court.

CAUTION ON CONTROLS

The subject of economic controls is one which quickly produces controversial heat between those who propose and those who oppose them.

Virtually everyone wants prices held down. Even the hoarder who helps boost prices doesn't want them to go up. The advocates of controls therefore contend that the matter can be solved rather simply by setting price ceilings.

The trouble is that that solution isn't as simple as it appears. One control begets another. When price ceilings are imposed rationing is not far behind. And once the clamps are on there are always those in government who will fight to keep them indefinitely. We've seen that. We'd see it again.

If we are heading into total war, controls necessary to meet the situation must be accepted. But, until we can see more clearly where we are heading we should approach the problem of controls with caution. In the meantime the \$5 billion increase in taxes soon to come will drain off a sizable chunk of money which might otherwise add to the inflationary pressure.

The nation faces virtually no serious shortages, especially in food and there is a strong possibility that the scare buying which has lessened will dwindle away unless revived by the threat of controls. Our economy is geared to freedom of action and we should keep it free until necessity forces a change.

NOVEMBER VOTE

Washington political observers agree that the Korean war has knocked most of the planned political strategy for November into oblivion. Issues which in peace time seemed potent now are ignored. The real issue, it is said, will center around the war, and more precisely, around our military strength—or the lack of it.

Although the public has strongly supported President Truman's bold action in sending troops into Korea, it is asking why we were not more adequately prepared. The Republicans will press hard on this point and, in the final analysis, the responsibility will rest with the Administration. The economy efforts of Secretary of Defense Louis Johnson will undoubtedly be a major point of attack.

In a recent speech Governor Thomas Dewey of New York asked why "our national government ended its fiscal year with a billion dollars appropriated by Congress for the Defense Department lying in the treasury unused." It's going to be an uncomfortable question to answer and it's going to be asked more and more.

VILLAGE NOTES

by
Mrs. Mark Swoyerland
PLaza 5-4158

Hi, here's our news and views for the week.

Garden Village

Dr. and Mrs. Edward Macklin and children, Cathie and Robert, returned from a 10-day camping trip on the Mattole river in Humboldt county. The family enjoyed both fishing and swimming. Incidentally, Waldo, the Macklin's German pointer, took not only the trip, but a daily dip too.

On the way home the Macklins stopped over in Lake county for a visit with friends. Cathie is remaining there for a week.

While in Lake county the family visited the three eight-month-old lion cubs who gained such fame in a newsreel, and will soon appear in a Walt Disney film. The cubs made a novel appearance into this world when the mother was shot, and the hunter realizing her condition performed a Caesarian operation and saved all three cubs.

The Blackfields of 107 Garden lane have sold their home to Dr. John E. Bergstresser, who will be the new dean of student personnel at San Francisco state college. Dr. Bergstresser is one of the outstanding men in the country in his field and was formerly the assistant dean of student personnel at the University of Chicago. The family hopes to occupy their new home around the 15th of the month.

The Blackfields after living in Garden Village for 12 years could not move too far, only to 812 Washington. Blackfield is able to work once again after two years convalescing from an automobile accident. Mrs. Blackfield is one of Garden Village's most popular baby-sitters.

Dr. Reginald E. Bell, formerly the dean of student personnel at San Francisco state college, has been made the dean of instruction at the same school. The Bells have been fortunate to have their daughter, Barbara Diggins, and her three boys, David, Steven and Michael, as house guests most of the summer. The Diggins recently returned to Omaha.

Mrs. L. H. Moon and sons, Wayne and Ronald, are spending a week at their cabin in the Sierras, near Grass Valley.

The William Klaisners, to recover from the family reunion, spent several days near Modesto, at the ranch of Mrs. Klaisner's mother, Mrs. Bertha E. Gray.

Mr. and Mrs. S. George Lewis and daughters, Marilyn and Carol Ann, went to Santa Cruz for the week end and returned with sunburns.

Midway
Mr. and Mrs. John Schmidt have sold their home at 720 Midway and are leaving us for "sunny" Redwood City.

Mrs. Dene Locke was hostess to a baby shower for Mrs. Kay Mattson held August 9. Those attending were Nubia Bode, Ruth Stewart, Eileen Crofton, Helen Neilson,

Ruth Skaverski, Esther Schmidt, Lois Gallagher, Margaret Mattson, Olive Mattson, Mary Forness, Anne Morton, Joan Morton and Pat Mattson.

Eighty-seventh

Mr. and Mrs. Don Hager had guests last week. Mrs. Hager's aunt and uncle, Mr. and Mrs. C. L. Reif from San Fernando.

Eighty-eighth

William F. Kirshbaum from Anchorage, Alaska, is home on leave with his parents, Mr. and Mrs. William Kirshbaum. He will leave soon to be stationed in Fort Eustice, Virginia.

Heather Road

Congratulations to proud parents Mr. and Mrs. George Drotar on their new baby girl born August 3, weighing 7 pounds 3 ounces and named Cynthia Jean.

The Drotars had quite a large company of friends on hand to welcome the new baby: Mr. Drotar's mother, Mrs. Mary Drotar; sister and husband, Mr. and Mrs. Ray Niebling, and two children, and niece, Joan Singuefield, all from St. Louis.

Sweetwood Drive

Mr. and Mrs. Chris Gnesios have had a guest for a few days, Eleanor Farmer, of San Leandro.

Mr. and Mrs. Kenneth McEwen have also had guests, Mrs. Charles Lidell of Norwood, Pennsylvania. Mrs. Lidell arrived with her husband, Capt. Lidell, who left for overseas.

Mr. and Mrs. Chet Mattison and children returned from two weeks at Lake Tahoe.

Happy birthday for Rogar Edler Jr., who was 5 years old August 16.

Louville Drive

Janet Rizzo and son John are home after spending 10 days in Eureka visiting her parents.

Mr. and Mrs. Sam Chesky have had guests, Sam's sister and her husband, Mr. and Mrs. Al Bardy from Aberdeen, Washington. Also, we hear that Cleo Chesky's brother stopped off to see them on his way overseas. His wife, Mrs. Mary Avery, and children, Carol and Phillip, are staying on with the Cheskys.

Mr. and Mrs. Peter Rizzo had week-end guests, Mr. and Mrs. Wallace Scofield and son Bruce from Vallejo.

Mr. and Mrs. Lewis Tashro have returned from a month's trip to Boston.

Washington

Mr. and Mrs. Cecil Snover have returned from a vacation in Idaho and now have guests visiting them, Mr. and Mrs. Jean Moretti and family. Also hear the Morettis will be visiting Mrs. Moretti's parents, Mr. and Mrs. Anderson, of San Francisco.

Thornhill

Welcome to Mr. and Mrs. Robert Colby and sons who have just moved into 735 Thornhill.

Maddux

Mr. and Mrs. Grover C. Hart are doing a welcome job of baby sitting for Mr. and Mrs. Hart, who are vacationing at Seigler Springs.

Foothill

We understand D. H. Greer was the only one in his party to bag a deer on a hunting trip last week end.

Mr. and Mrs. Walter Brand spent Sunday with relatives in Santa Benica.

Mrs. Vivian Levitt and daughter,

\$72,000 Project To Begin Soon

turned it over to City Attorney Frank Blum.

Other business before the council Monday night included:

1. Taking under consideration by the Lake Merced Golf Course a request for installation of a fire hydrant on their property.

2. Advertising for bids for work on Edgewood Park, and for cast iron pipe. These bids must be submitted to the council before August 28.

3. An \$11,600 partial payment was given the Lenkeit Company for the installation of the water system in Concordia. The Fay Improvement Company was also given a \$9,072 partial payment for work done in that area.

4. K. C. Martin was given a \$3,128 partial payment for work in both Edgewood and Marchbanks parks.

5. There was the final reading of the ordinance to annex 318 acres (in Westlake) to Daly City. This carries the westerly boundary of Daly City to the Pacific Ocean.

ters, Cathie and Debbie, visited relatives in Atherton.

Mrs. Elliot Yearsley is recuperating at her home on Foothill drive after a recent operation.

Christmas

Incidentally, any people whose thoughts are beginning to travel to Christmas time... The Womens Association of the Broadmoor Community Presbyterian church are going to have many lovely Christmas items at the Bazaar November 3. They will have beautiful doll clothes, baby toys, aprons and a variety of other items. The Bazaar is being held to help finance the building of their new church.

Here & There

Marjorie Hopper and her daughter Cynthia enjoyed a lovely lunch at the home of Grace Bloss on Werner street.

The Edward J. Dennis and family returned from their vacations, and want a vacation. They celebrated Mrs. Dennis' father's birthday. Claus Witt, who was 80 years young. They traveled to San Jose where Mrs. Dennis' brother-in-law, Al Davis, passed away and last Friday attended his funeral. We understand Al Davis was well known here.

Chuckie Sunderman is at Sleepy Hollow in San Anselmo.

Mrs. Jean Sunderman held a little get-together of chat and tea recently. Attending were Mrs. Erva Denham and Mrs. Jerry Hopper.

My these parties are catching on. Mrs. Gino Landi entertained four guests recently.

Mr. and Mrs. Richard Lambson and son Ricky returned from visiting relatives and friends in Utah and Wyoming.

Sewing

And last but not least, here is a helpful hint for those who are interested in sewing.

Sewing classes held at the Grace Presbyterian church under the supervision of Mrs. Harry Lapp will be resumed the middle of September. The class, as well as a complete fashion show, proved of great interest to many people during the spring.

Enrollment is now being accepted. The course is open to people of various degrees of sewing skill, from the novice to the experienced seamstress.

Call Mrs. John Faust, PLaza 5-4643, for complete information.

ple have seen the encampment of children at Alp and Hillside boulevard. Earlier this week the small fry, exercising their squatter rights, moved into the vacant lot en masse.

Within a matter of hours they had begun to set up tents of various size and condition. Once the tents were up, the kids turned exterior decorator and generously applied coats of yellow and red paint to everything in sight.

They were enjoying themselves as only kids between 6 and 8 can, when an older boy moved into the lot. Forming their ranks, the youngsters in the best Indian fashion drove him away from their reservation.

Moments later, one of the younger children posted a sign for all older boys and grown-ups alike. It read: "Private For The Kids..Stay Out."

To the best of our knowledge the sign still stands and until a heavy fog or rain rolls in so will the tents and the kids.

With many Daly City men over seas, or on their way to the battle front there is little their wives can do at home...unless.

"Unless, they join together and do something constructive to help in the war effort," Mrs. Marion McKaskle, whose husband is a Staff Sergeant in the US Marines, said today.

Mrs. McKaskle hopes to form an organization of women whose husbands are now serving in the armed forces.

"I feel that the women whose husbands are actually in the thick of the fight have a great deal at stake. They are the ones who are interested in doing as much as possible on the home front to insure the safe return of their loved ones," Mrs. McKaskle noted.

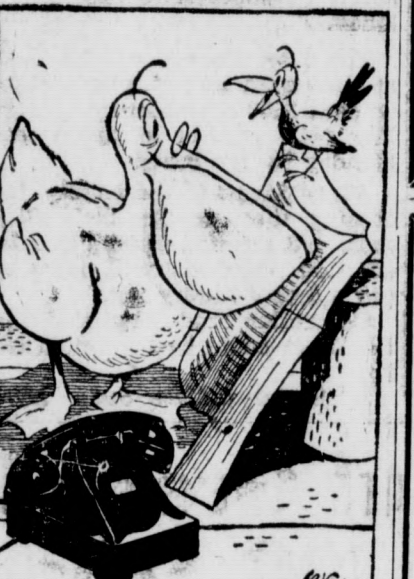

She asks anyone interested in helping her to organize such a club to call her at her home after 5 p. m. The number is PLaza 5-2574.

Mrs. McKaskle's husband, a veteran of World War II, left for the Korean front this week. Believe us, she is sincere in her desire to help the men on the fighting front.

nity has seen fit to choose me for this position," Gaggero said. "I can assure you that I will do everything in my power to see that the bond issue is a success, and that double sessions in our schools are eliminated in favor of full-time education."

Meanwhile, James Snell, superintendent of schools, again reiterated the necessity of immediate construction of new schools.

"When the children return to the classrooms September 11, I'm afraid many of them will again be on double session, either then or in the months to come."

"While the attendance in our schools is now estimated at 2,130, this number is expected to double by the end of 1951. Unless the people pass the September 29 bond issue, we won't only be on double sessions, we'll be lucky to have enough facilities to put the children on one-third of a day of school."

Other community leaders, from all walks of life, today voiced approval of the September 29 bond issue. Among these are Edmund Cavanaugh, Marie Sorensen, Charles Becker, Lois Adams, Jane Keith, Tom Jenkins, Dr. John Doyle, Ann Eason, Anne Ingersoll, Mrs. Mildred McGeein, Elman Rose, Frank Lombardi, A. Consera, Alice Walsh, Florence Hopman, Pete Markovich, Walter Rector, Margaret Pauline Brown, and many others.

BAYSHORE

VISITACION VALLEY

By Bernice Hendryx Juniper 4-6449

The Mr. & Mrs. Club threw themselves another picnic last Sunday, this time at Flood Park. A pot-luck dinner on the spot, and very good too. Most of the members were present, so it was a nice crowd.

Arty Dietrich is home, after a two-week vacation at Middletown, in Lake county. No deer, but he's loaded with information for all you hunters. Arty bagged a couple of squirrels, so he didn't return entirely empty-handed.

The Bayshore Voters League did not hold an August meeting. The executive board moved that due to vacations of officers and members, the August turn-out would be too small. There is a possibility that there will be no meeting held in September either.

Youngsters, playing with matches, set fire to a playhouse in the rear of the Nye home, 312 Rio Verde street, this week. The only other damage was the loss of part of Mr. Nye's fence. It wouldn't have been such a blow to Mr. Nye, except that he had just finished putting a new paint job on, so the loss was keenly felt in some spots.

Little Joyce, four-year-old daughter of Lonnie and Rachel Higgins, is sporting a beauty of a black eye. Teh, teh, Joyce, a shiner is not approved of among the gentler sex.

Travels

The Don Kurtz family, of 1020 Scherwin went deer hunting in the Mendocino county last week, and returned with four bucks. Don says two of them are the biggest he has ever seen come out of that part of the country. Hunters take notice!

Gladys Williams and family just returned from a ten-day vacation at their Willits summer cabin. Gladys sprained her back just before they left, so she can say she spent the most miserable vacation of her life this year. Better luck next time Glad.

We have two or three new stores going up on Geneva, across from Seat's Market. Don't know what they will be as yet. There is talk of a restaurant, among other things, but nothing definite. The two stores between Seats and the

Sanitary Hall are nearing completion, so we will see more business in here soon. We are going to fool around until we have ourselves a decent shopping center.

The Voters League Hall at long last has another caretaker. The Jesse Torrez family has taken up residence in the small upstairs apartment, and Jesse is painting it and fixing it up.

The hall really needs a caretaker badly, someone who is around to watch the hall and clean it up. We rent the hall to different organizations to give dances, and two of our churches rent the hall for Sunday lessons. After some of the dances, the place ain't fittin' to hold Sunday school in. With a caretaker right on the premises, we are hopeful that things will work out better for everyone concerned.

Baby Shower

The Fire Auxiliary combined their regular meeting with a baby shower last week. Mrs. Murphy and Mrs. Kahn were the hostesses to some twenty of the Auxiliary. The shower was given for Trudie Doyle, of 880 Schwerin street, who is expecting her baby about the first of November. Husband Freddie received his orders to report for duty in the Navy the twenty-fifth of September. Boatwain's Mate Doyle can only hope that he will be around to greet the new arrival, but things don't look too bad, 'cause he will be stationed at Treasure Island for the present.

Seven-year-old David Barry returned home from the hospital this week, after being given the works. The job started with tonsils, and worked through adenoids, and an obstruction between the adenoids and the ears.

Mrs. Barry reported that David was doing fine, and like all mothers, she has her hands full, trying to keep him toned down for at least a day or two. Any mother knows what she means. When you have a youngster on the sick list who is on the road to getting well, and the doc tells you to keep the little fellow quiet for a spell, it is like asking you to have yourself a nervous breakdown. Somebody should tell these doctors that it can't be done.

CLASSIFIED ADS DO GET RESULTS

Have a house for sale? Why not try the Daly City Record and Shopping News Classified ads for quick results? Last week Mrs. Emma Clauson, 435 Bellevue, ran the following ad:

For Sale—3-rm. sunny cottage, nice yard, garden. Clean. Near school and store.

Today, Mrs. Clauson reports she has sold her house, thanks to the Want Ads. She reports she had run the same ad in other papers without success.

Yes, Classified Ads do get results. Call PLaza 5-4321 if you have anything to sell, buy, or seek a job or an employee.

UP TO THE DRIVER

California's modern highways are engineered for safety but the National Automobile Club reports that safe driving remains the responsibility of the individual motorist. When driving the new highways, drivers should remain alert and keep speed under control at all times.

CHECK STOP LIGHT

A recent check showed more than twenty per cent of the stop lights on cars in use were not operating, state the National Automobile Club. Stop lights are important to safe driving. Motorists will protect themselves by having the stop lights, as well as other lights of the car, checked regularly.

The C. Higgins family is sporting a new television set. Drop in folks, and spend the evening.

WESTLAKE WHIRL

Plaza 5-0946

While many workmen in Westlake are working frantically to put up houses, a few seem to be doing their best to depopulate the area.

We'd like to know why the drivers coming into Westlake off of Alemany have to drive at a speed rivaling the cannon-ball express. It's getting to the point where many mothers have to keep their children inside, rather than risk having them play on the sidewalks or street.

Let's hope that the truck drivers will slow down on production just long enough to save us from burying our children.

In the birth column this week: Mr. and Mrs. Robert J. Weiden, 33 Westdale avenue, with a new son born July 27 at the Children's Hospital. Donald Robert weighed in at 8 pounds 12 ounces. He won't be

alone in the Weiden family, for he has a two-year-old baby sister, Barbara Ann.

At long last it appears they are going to do something about the dangerous "Y" at the intersection of Alemany extension and Junipero Serra. Reports have it that within the next 30 days the state is going to put up signals at the intersection.

It's about time. During the last few months there have been more accidents, some almost fatal, at that intersection than any part of Daly City.

And for all of those who haven't seen the Saints and Sinners \$25,000 home at North Mayfair and Fieldcrest drives... take it from us, you're missing something. While all of us have homes in

Westlake, we can all pick up a few hints on interior decorating from the Saints and Sinners house which is decorated by Lachman Brothers with eighteenth century furniture. It's a real beauty.

Also, why not help the milk fund and buy a ticket to the big show in the Civic Auditorium September 17? Who knows, you may end up with a second home in Westlake.

We haven't received many phone calls this week. Why not give us a call when you have a visitor, a party, or go on vacation? Also,

Words Of Thanks From A Grateful Mother

Gentlemen: We would like to take this opportunity to thank the people of Daly City for their great consideration and kindness they extended to us, during the polio illness of our son, Jerome.

In his behalf too, we would like to express our heartfelt appreciation for all the cards, telephone messages, prayers and well wishes given him during his hospitalization.

Jerome is recovering from the attack in a first rate manner and will be able to resume his position in society in a few months.

Again we wish to thank you all, and may God bless you.

Sincerely,
Mr. and Mrs. Richard J. Ennis

Free Trip To Rose Bowl Offered Lucky Couple Who Attend Colma Bazaar

An all expense trip to the 1951 Rose Bowl game will go to some fortunate couple who attend this year's annual Colma Bazaar, September 30 to October 1.

Many other worth while awards are also to be made this year, including a 16-inch television set, a sewing machine, and two bicycles.

Sponsored by members of the Holy Angels Church, the bazaar is held each year to raise money to assist the parish.

Tickets for the bazaar are now on sale and may be purchased from any member of the Holy Angels Church parish.

With the trip to the Rose Bowl the lucky couple will have their transportation paid from here to Pasadena and back, will be furnished with A-1 hotel accommodations and will receive \$90 for spending money.

This year's event will be held in Colombo Hall, San Pedro road. From time to time the Record will give further details concerning the bazaar.

Eagles Auxiliary Plan Bazaar

by Dorothy Johnson

The Ladies Auxiliary of Colma Vista Grande Aerie No. 1848, FOE, welcomed five visitors from No. 5 San Francisco and one from Livermore at their last regular meeting August 8.

Marion McKaskle, Filomena D'Eha and Eva Grubb were initiated into the auxiliary. The hospitality chairman, Margaret Florence and the committee consisting of Alberta Diehel, Christine Hulse, Helen Levensaler, Audra Hart, Virginia Hunter and Bridget Gounod served refreshments.

Plans are now being made for the bazaar November 10-11 with a turkey dinner being served November 12. In conjunction with the event the Aerie will have a dance November 11.

The bazaar and turkey dinner are open to the public and everyone is invited. Reservations can be made for the dinner and a chairman will be named at a later date.

Next Friday, August 25, the Auxiliary will hold a Cooked Food Sale at the Hilltop Market at 6315 Mission street.

More than 12 per cent of the State's hunting license buyers are farmers and their employees.

California Cookery, a new feature, will demonstrate recipes at the California State Fair, August 31 through September 10, of eleven foreign nations.

WHY IT'S THE TALK OF THE TOWN

NEWS OF
YOUR NEIGHBORS

Police Chief W. W. Sunderland was back to work today following a two-week vacation with his wife in sunny Seattle and the northwest. Bill reports the weather in Seattle was exceptional, and while Daly City enjoyed two weeks of fog, Bill was getting a good Seattle tan. He also had a good word for the scenery in the vicinity, and says it is a paradise for all sportsmen. However, the chief is still glad to be back in Daly City, although the criminal element in the vicinity may have wished he had stayed a little longer in the great northwest.

J. Allan Thomas, son of Mr. and Mrs. J. Walter Thomas, 868 Beechwood drive, has joined the navy, and is taking his "boot" training at San Diego. He will then attend an electronics course for 42 weeks at Treasure Island.

Meanwhile, Elaine and Gary Thomas have been spending their vacation on a ranch in Montana in the Bitter Root Valley. They will return home in several weeks to attend school.

Alfred L. Greig and Fred W. Waterman, both of Daly City, were named this week to the California State Polytechnic College honor roll. Julian A. McPhee, president of the college, released the special President's Honor List. The list includes students singled out by President McPhee for excellence in scholastic achievement.

Mrs. Peter Dornoy and Archie Banfield motored to Bonnevill in Anderson Valley last week to attend the funeral of Mrs. H. A. Albert, a friend of Mrs. Dornoy and her late husband, Peter Dornoy, for 30 years. A great number of friends attended the funeral. Mrs. Albert was also known in this area as a member of the Rebeccas.

Mrs. R. L. Olson Chosen To Head Family Service

Mrs. Ruth L. Olson of Minneapolis, Minnesota, has just accepted the appointment as executive director of the Family Service Agency of San Mateo County. The appointment was announced today by the Reverend John R. Wilkins, president of the board at a luncheon meeting at the Chukker.

Mrs. Olson comes to San Mateo County from Minneapolis where she has been case supervisor and director of Home Service Department of the American Red Cross.

Born in St. Paul, Minnesota, she received her B.A. degree at the University of Minnesota and her Masters at the School of Social Service Administration at the University of Chicago. Mrs. Olson served as case worker at the Family Welfare Association of Minneapolis, and as head of the social service department of the State Relief Agency at the state capital, St. Paul, Minnesota. She was formerly with the Community Chest of San Francisco as acting secretary of the research committee, and during World War II was executive director of the Infant Shelter in San Francisco.

Offices of the Family Service Agency will be opened the latter part of September in San Mateo at the corner of 12th and B streets. Skilled professional casework service will be available to persons seeking help with family social adjustment. The operation of the Family Service Agency is made possible through Community Chest dollars.

Mrs. Charles Keith, 118 E. Vista, represents Daly City on the board.

The Kiddie Carnival at the California State Fair, August 31 through September 10, will offer miniature thrill rides for children with tickets nine cents each.

DALY CITY PLAYGROUND ACTIVITIES

CROCKER PLAYGROUND

By Regina S. Warhot

Last week Crocker Playground was preparing for the tournaments which are going to be held this week, August 14-18.

Thursday, August 10, we gave prizes for the one who brought the most relatives to the playground with them. We found out that Peter Salas has seven brothers. Kitty Quint, however, won first prize for bringing 10 relatives with her.

This week Crocker Playground will go on the Bay Excursion Wednesday and the Swimming Party Friday. We have our entrants for the ping-pong and basketball contests and we're ready to go.

Next week, Friday, August 25, there will be a craft party at Crocker, and I would like everyone to try for the football accuracy throw since this is our last tournament. So don't forget to practice and I'll see you at the Crocker Playground.

JEFFERSON HIGH

By Mary Falbo

Friday, August 11, the high school had their ping-pong tournament. Little Ronnie Kalinin took first place in his division. Dick Kalinin took first place in the 12-13-year-olds and Frank Garcia upset the favorite Abram and took first place in his division. These winners will compete Monday, August 14, with other playground champs.

Wednesday, August 16, our outing excursion on the S.F. Bay will take place. We will leave the grounds 9:30, travel to Fisherman's Wharf, and there board a boat for a cruise on the bay.

MARCHBANKS PLAYGROUND

By Glen E. Smith

Carl Gruenwald, Dave Cafferata, Bob Grubb, John Robinson, Arlene Trapp, Betty Scott, Carol Glover, Arlene Callan and Bob Bryant have been practicing all week for the All-City Ping-Pong Tournament.

Marchbanks' basketball team beat Lincoln Playground in a very close game. John Matzek, Fred Thompson, Jack Kennedy, Dave Cafferata, Carl Gruenwald, John Robinson and Glen Smith played for Marchbanks.

The youngsters have shown great interest in the Swim Party to be held on Friday, August 18.

LITTLE JEFF PLAYGROUND

By Beverly Clement

Ping-pong was the most talked-about and practiced sport this week. Everyone is eagerly looking forward to the city-wide tournament Monday. Those who will play for Little Jeff will be Arjo Gregori, Albie Figone and Jose Ordonez in the Boys A, B, and C classes and in the Girls Class A Eleanor Shulda will play with Janice Toole in the Class B.

SOCIETY

Alvera Wilmes, William Cullen Exchange Vows At Saturday Rites

Our Lady of Perpetual Help Church was the locale for the nuptials of Alvera Wilmes of Daly City and William Cullen of San Francisco Saturday at 10 a.m.

Father William Stewart conducted the ceremonies before the altar. Father Warren and Thomas Aherne, friends of the groom, also took part in the ritual.

Albert Wilmes, 208 Hillcrest drive, escorted his daughter to the altar.

She wore a gown of white satin, princess style, with a square neckline and a pointed waist. Her fingertip veil was held in place by a crown of seed pearls and she carried a missal trimmed with white orchids and white streamers.

Mrs. Doris Wilmes (sister-in-law) of South San Francisco, as matron of honor, wore a yellow lace gown with a pink and lavender and a matching headpiece.

The bridesmaids, Kathleen Cullen and Leslie Linhares, wore the same type of dress, and as the matron of honor, carried old-fashioned bouquets of carnations. Glen Lynch served as best man. Bob Collins and Ernest Aylala escorted guests to their seats.

Mrs. Cullen chose a blue suit with appropriate accessories. Mrs. Wilmes selected a cocoa-colored crepe dress and brown accessories. Both mothers pinned on orchid corsages.

Lawrence Peck acted as altar boy.

At a reception at Estrada's on El Camino Real, 75 friends of the bride and groom were present to wish the justweds well. Also present was the granddaughter of one of Daly City's pioneers, Mrs. Johanne Bradberg.

When the couple return from their honeymoon, they will make their home in Fresno.

Mrs. Edward Vinci Honored Guest At Baby Shower

Better prepared for the stork today is Mrs. Edward Vinci of San Francisco who was given a baby shower by her Daly City friends last Saturday.

The shower was held in the home of Mrs. William Boggio, 183 Irvington street, with Mrs. Boggio acting as hostess.

A buffet supper was served on a table decorated with various colored asters and miniature booties for place settings.

Mrs. Vinci's many friends presented her with a variety of beautiful, useful gifts.

Meanwhile, the "expectant" father was also given a party by the husbands of the women present at the baby shower. In charge of this project was Mrs. Boggio's husband, Bill.

Vinci reports that his side of the shower was a great success.

Present at the shower were Mesdames Clara Vinci, Ida Vinci, Gema Lucchesia, Marcie Trier, Alice Ullrich, Hazel Vigna, Blanche Grolimund, Ione Watson, Millie Talamini, Marge LaRusse, Sherie Zanassi, Billie Pannell and Anne Otten.

Kapor Pays Final Tribute To Eagles

A final tribute was paid to members of the Colma Vista Grande Aerie No. 1848, FOE, by the late John Kapor, 119 1/2 Santa Barbara, before he died July 26.

The veteran Daly City fireman and member of the Eagles addressed a letter to the Eagles shortly before his death.

His widow, Mrs. Linda Kapor, this week presented the letter to the Eagles.

The incomplete letter reads:

"Dear Brothers,
Just a line to thank you for the great help you have been to me while I was in the hospital for my operation. I didn't realize that a man can get so much for so little as the Eagles give to its members. I honestly don't know how it would have turned out in my case if it were not for the Eagles and my comrades of the Daly City Fire Department which in all donated 42 units of blood. Since I joined the Lodge I always had a good word for it, and I always will, and all the more from now on."

Navy Base Faces Reactivation

Possibility that the \$4,750,000 Naval Personnel Depot at San Bruno may be reactivated was expressed today by Leslie Moore, Mills estate manager.

The Mills estate owns the 142 acre site and Moore said the negotiations for return of the property have been held up while the Navy in San Francisco awaits instructions from Washington D. C.

During World War II the base was occupied by some 15,000 men and 1,000 Waves.

The popular auto trains will again be available for the convenience of visitors to the California State Fair, August 31 through September 10, with the low fare of ten cents.

Along its 2,000-mile course the Colorado River cuts 19 major canyons.

Cub Pack 62 To Hold Whist Party October 12

By D. C. Gensel

The 62 Parents Club will hold their annual whist party at the Masonic Hall Thursday, October 12, at 8:30 p.m.

There will be numerous awards, and refreshments will be served.

Proceeds of this party will be used by Cub Pack No. 62 to support their fall activities. Please support this activity, and the Parents Club, so we may be able to have a nice program for the boys throughout the coming year.

The Pack is putting on a paper drive, so please save all newspapers, and the boys of the Pack will pick up the same. The date on which the pickup will be made is to be announced at a later date. Any further information may be obtained by contacting this writer at 188 Acton street, JUNiper 4-6229.

There has been no change in the monthly pack meeting date, or place. The meetings are held on the second Monday of each month at the General Pershing school on Hanover street.

Due to other commitments, Mr. Kruse resigned as cubmaster, and was succeeded by Doug Baughn.

A great number of people in Daly City have been misinformed that the leaders of the Cub Packs and Scout troops are salaried employees. This is definitely wrong, as all leaders work on a voluntary basis.

Mr. Peterson is the new scoutmaster of Troop No. 249. He will succeed Mrs. Traxler. Mrs. Joe Lang has agreed to stay as assistant scoutmaster as long as possible. Please support this troop by attending the meetings each Thursday night at the Bellevue recreation hall.

Fathers of the boys are particularly urged to attend. Several boys of the Pack have reached the age limit for scouting, and we hope to have a troop into which the boys may graduate.

Crocker P. T. A. Considers Fish

Vacation chatter and a discussion of the coming year's events occupied members of the Crocker PTA who recently met for a fish dinner at Fishermen's Wharf.

Despite the official talk, the principal topic of conversation was whether or not one sea food dish was better than another. All problems were quickly solved when each member promptly ordered her favorite fish dish, which brought as many varieties of fish cuisine to the table as there were guests.

Guests present were Mesdames Mabel Vicain, Olga Bordson, Mary Makefield, Eve Hobbs, Cora Brulins, Bernice McElivree, W. W. Cheatham, John Sorensen, Julia Jordan, James Jordan, Alice Tyndall, Mildred Seiler, Emma D'Isepe and Miss Marjorie Tobias and Miss Sharon Jordan.

Volcanic rocks of the Pliocene age are exposed on the southern flanks of Mount Diablo.

Camp Mattrup Has Successful Summer Season

Girl Scouts and Brownies camping at Camp Mattrup were busy writing "thank you" notes this week for an ice cream treat furnished by the Daly City Women's Civic Club.

Meanwhile, the fame of the camp is spreading far and wide. Some 175 girls this summer are learning to live in the great outdoors and are carrying their experience back home.

Visitors this season included Mrs. Ophelia E. Bohannon, a regional committee member; Mrs. Knudsen of Palo Alto; Miss Mary Prudy, Palo Alto day camp director; Mrs. Viola Rowder and Mrs. Luella McDowell, staff members of Sky Oaks Day Camp; and our field director, Mrs. Held Bould, besides field workers Miss Mary Woodworth and Miss Carolyn Passanow.

Young Boy Sets Fire

A six-year-old boy with a love of fire came close to burning down a Daly City home at 3:15 p.m. Saturday.

The son of Mrs. Gurr, 349 Knowles, called his mother Saturday afternoon to come into the basement. His mother responded and found a basket of clothing under the basement stairs in flames.

Mrs. Gurr called firemen who quickly checked the fire. Except for the clothes, there was no damage, firement say.

Police report the child had allegedly started the fire. No reason was given for his action.

Burglars Get Fast Reception

Wide awake and ready, Alexander Carter, 171 Woodrow, Monday morning chased a burglar from his home.

Carter told police he awoke at 2:16 a.m. to see a beam from a flashlight on the bedroom stairs. Jumping out of bed he rushed downstairs.

However, the burglar moved faster and was out a side door before Carter could stop him. Nothing was taken from the home.

Police believe the thief made his entrance by slipping the safety chain off an open back door.

Meanwhile, early Tuesday morning Mr. and Mrs. William Anderson also surprised a burglar as he was going through their home at 368 N. Parkview.

Mrs. Anderson told police she awoke at about 2:30 a.m. to see someone standing at the end of her bed with a flashlight in his hand. Thinking it was her nephew, Jack Overstreet, Mrs. Anderson asked what he was doing there.

When there was no reply, Mrs. Anderson awoke her husband who jumped out of bed and pursued the thief through the house and out a basement door. The burglar made his escape in a car parked several doors away from the Anderson home.

The only thing stolen was \$4 from the wallet of Overstreet, who sleeps in a room at the north end of the basement.

China, Korea, Brazil and Bolivia are major world producers of tungsten.

An excellent opportunity to outfit your child for school at a low cost is offered this week by the Grace Presbyterian Church.

Next Wednesday, August 23, the church is holding a Youth's Clothing Sale at Masonic Hall, 17 Hillcrest drive. At that time clothes for children will be on sale at extremely reasonable prices. The clothes, while used, are in good condition and neat appearing.

Plans for the sale were made by the Women's Council of the church at a meeting this week at the home of Mrs. Henry Adami, 443 Hillside boulevard.

"We would welcome any contributions of clothing, as well as bric-a-brac, toys, books, dishes and other such items," Mrs. Adami said.

Present at the meeting were Mesdames: Robert Turner, Einar Hanson, Albert Stierl, Herbert King, S. W. Hartman, Henry Adami and Anthony Carrothers. Each was given several articles of clothing to repair for the sale.

Proceeds from the sale will be used to buy equipment for the new church now under construction at Crocker avenue and Winchester street.

Sermon Topic Is Announced

The sermon topic for next Sunday at the Lutheran Church of Broadmoor is "The Savior Teaches True Humility." It is based on the gospel lesson for the day. Questions which will be aired in the sermon include: Do we put too much emphasis on the inferiority complex? How practical is the advice to turn the other cheek when struck? Is there anything wrong with exhibiting personal pride?, etc.

The public, especially those not enjoying the regular benefits of a Christian church, is invited to attend any or all of the Christ-exalting services which are conducted at present at Broadmoor Recreation Center, White St. off 87th St. each Sunday at 11 a.m.

Sunday school for children from 3 to 13 is held weekly at 9:45 a.m. prompt.

"Record" Reminiscence

From the "Record" 10 Years Ago August 14, 1940

Councilman Edmund Cavanaugh Monday night was appointed chairman of the Parks and Playground committee.

Barbara Jensen, 10-year-old daughter of Mr. and Mrs. Jay Jensen, has established an outstanding record in swimming. She is a member of the famous Fairmont Hotel swimming team and timed under 38 seconds for 58 yards.

Jefferson High school's plant, already one of the best in the state, will soon be improved by the addition of a \$25,000 Industrial Arts building.

Daly City youngsters, more than 2,000 strong, will throng back to classrooms Monday, August 28.

TOURNAMENTS - EVENTS

Table Tennis and Ping-pong Contests Highlight Week's Activities

By Erle Johnson

The tournament theme for this week was table tennis. The High School game room was the spot where the tournament was held and the four tables were kept busy all afternoon. Mary Falbo was the hostess for the boys and girls who were in the tournament and reports that the people are getting better at the game every day.

The following boys and girls were the winners: Angelo Casini (L), Albie Figone (L), Ray Schmitke (L), and Carol Glover (MB). Lincoln Playground can be called the champions again this week, having won two top spots in the tournament.

Next Friday, August 25, Marchbanks Park will play host to all of the boys and girls from the other playgrounds. The host will sponsor the last city-wide tournament of this year's summer program. The tournament will be a football throw for accuracy tournament. The contestants throwing the most balls through the tire provided will be the city champions.

PING-PONG
Wednesday and Thursday evenings this past week were busy evenings for all of the Daily City ping-pong enthusiasts. The first annual tournament was a popular one with 32 men and boys participating and eight girls playing for the championship of the city and also for the beautiful trophies that were awarded to the winners. Beverly Clement was the winner in the open women's singles and Preston Hix was the top man in the men's open singles. The Daily City Recreation Department awarded trophies to the winners and a good time to all who participated in the tournament.

In the men's tourney Lloyd Selmi defeated Mike Orlich, Preston Hix defeated Orin Maitland, Bob Golobie defeated Bob Crowley and Frank Garcia defeated Carl Gruenwald in the quarter-finals. In the semi-finals Hix defeated Selmi, and Garcia downed Golobie. In the finals Hix finally won with the following scores: 21-18, 19-21, 21-16.

In the women's tournament Beverly Clement defeated Donna Shulda and Anne Fitzgerald defeated Barbara Stein in the semi-finals and Clement won the championship in the finals with these scores: 21-18 and 21-15.

Marie's Place Drops Game, 5-4 To Hillside Mkt.

by Angelo Craviotto

Last Sunday at 2 p.m. Marie's Place played Hillside Market at Funston. Here Marie's nine lost 5-4, but it was not a defeat that bowed any heads.

The boys were fighting from start to finish. They got three runs on four hits in the first inning and one more run in the third. Here they stopped and from there on in they held onto their lead in heroic fashion. Hillside got rolling in the fourth inning with three runs and tied it up in the fifth. From this point on the story changed. Hillside put in their fireball ace, Barbic, who in five innings struck out 15 of the 18 men to face him.

Marie's Place turned in great defensive playing. Charlie Donlow after putting two men on the pads in the eighth was taken out by Al Davis. Canepa was waved in from the shadows of the bull pen. Canepa stepped on the mound with three wins and no losses. Two men on, no outs, the crowd tense and the first batter struck out. The next batter was hit, loading the bases. Then Hillside tried to squeeze only to have Canepa foil this attempt. Two outs and the next batter grounded to Canepa.

In the ninth Canepa could not turn in another masterful inning. He walked the leading lady who was sacrificed to second, stole third and scored on a long fly ball to dead left field.

This ended what some of us might call the game of the year. But 1950 still has a long way to go.

Until next week I'll see you at 6005 Mission street.

LIGHT ON DRIVING SKILL

Accident records still fail to demonstrate that men are better drivers than women, declares the National Automobile Club. They do show, however, that the two have different types of accidents; the women more minor mishaps, proportionately, and the men the more serious ones.

TRY OTHER FILAMENT

Odds are that both filaments of a headlight bulb have not burned out at the same time, reports the National Automobile Club. Rather than drive with only one light, switch to the beam which provides that both lamps will operate.

DC Boys Club To Hold Boxing Match At Vet Hspt.

Rapidly developing one of the best boxing teams in Daly City, the Daily City Boys Club will entertain patients at Letterman General Hospital next Monday.

Members of the Daily City club will put on a boxing match with members of the San Francisco Boys club. The boys will be under the supervision of Frank Bria, club director and boxing coach.

Taking part in the fights will be: Ronald and Dick Kalinin, Frank and Carmen Bria, Jerry Kennedy, Fred Bertetta Jr., Lola Huntsman, John Quintana, Ronald Rossi, Daryl Hall and Henry Klees.

Many of these same boys won the majority of the matches held at the Jefferson High School gym last Friday evening.

Meanwhile, as another activity of the rapidly growing Boys Club, 50 of the lads will be taken to the Ice Follies today, August 17. There will be no charge as the boys will be guests of the San Francisco Boys Club.

450 Turn Out For Friday Boxing Matches

Last Friday night the Daily City Recreation Department held its Fifth Annual boxing tournament. The local youngsters really put on a terrific show for the 450 cheering spectators at the Jefferson High school gymnasium. The winner of each bout was presented a gold boxing medal and the loser a silver medal, so both boys left the ring happy.

The boys soon will be able to again show their talent when they meet with the San Francisco Boys Club representatives in a benefit performance at Letterman Hospital. After these bouts with the Boys Club, the boys will make an appearance on a television show against the S. F. boys again.

Mayor Paul Green and Councilman James Kennedy acted as two of the judges along with Steve Pasafiume from the Jefferson Elementary school district. Gene Lorenzo served as timer, Glen Smith again acted as the ring aid and did a splendid job of getting the boxers ready for their bouts. Elman Rose, director of recreation, was the announcer, and Erle Johnson, supervisor of recreation, refereed the bouts. Dr. J. L. Doyle donated his time to be on hand in case any of the boxers got in the way of a "Sunday" punch.

Frank Bria, director of the Daily City Boys Club, and Dave Cafferata Jr. were the seconds and kept the boxers in boxing condition. Mike Orlich was the official score keeper and deserves credit for most of the organization of the bouts. Many thanks to all of you whose names are not mentioned; we in the Recreation Department appreciate your help very much.

The following boys boxed: 40 lbs. Frank Clint dec. Doug Bourne Jr.; 50 lbs. G. Perata dec. Gary Lononi; 60 lbs. R. Kalinin dec. J. Kennedy; 70 lbs. V. Lewkowicz dec. V. Martinez; 80 lbs. A. Ruelas dec. R. Curtis; 85 lbs. J. Lewkowicz dec. G. Stein; 85 lbs. R. Renavides dec. W. Flansburg; 90 lbs. F. Bertetta dec. D. Kalinin; 95 lbs. D. Hall dec. K. Klees; 105 lbs. R. Duncan dec. L. Kennedy; 105 lbs. L. Huntsman dec. G. Drefus; 113 lbs. J. Cardinalo ko'd R. Harris; 120 lbs. D. Monson dec. A. Gerrans and L. Monson dec. R. Schmitke; 140 lbs. D. Espinoza ko'd H. Bowen; 160 lbs. B. Murchison dec. J. Earnshaw.

In a special bout Izzy Galente dec. Tiger Tooke for the climax of the show.

Hogmen Cut Down All-Star Nine

Colma's Hogmen scored still another victory on the diamond last Monday, cutting through the All-Stars' defense for a 9 to 4 win.

Lou Raggio, All-Star pitcher, gave up six hits in the second inning and the Hogmen took a lead they never were to lose.

The All-Stars scored four runs in their half of the third inning to make the score 4 to 5, but the Hogmen, assisted by Vic Drago's homerun, edged away for the final victory.

Sarto A.C. Plays Cuckoo Game With SF Cuckoo Club

In what was the maddest game of the season, Sarto A.C. Sunday, walked over the Cuckoo Club 18 to 7.

The boys from Sarto were in high gear for five innings, and had run the score up to 18 to 0, when they decided to end the "slaughter." Switching positions on the field, members of the Sarto A.C. opened the game for seven runs by the Cuckoo Club.

Babe Ottone'llo, who had been on the mound for the first five innings, took to catching while Benny Parodi hauled the ball. As Ottone'llo is left handed, he managed to drop enough balls (that is, those that crossed the plate) to allow the Cuckoo Club to score.

The Santa Rosa team Sarto A.C. was to have played Sunday failed to appear.

Next Sunday the Daily City boys will meet the 12 Mile House in what is expected to be a hard fought game in South San Francisco.

Meanwhile, Sarto's tied a game with Grant Butcher's team in the Funston night league last Wednesday night. Final score was 8 to 8.

In their only other game of the week, Sarto's lost to Gordon Realty 2 to 5 Sunday.

FISH AND GAME NOTES

by Jimmy Fox

With the deer season 12 days old it seems that the local nimrods have been slightly below par in the bag of deer. Most of the boys report few deer taken but lots of deer around. Lake county doesn't seem to be setting the world afire in the deer take figures. It had been predicted that the take would be large in that area. As usual the Mendocino area is producing a fair share of bucks. The best reported so far was taken by a woman near Spruce Grove, and it was a beautiful buck with 13 points on the rack.

Sam Russo and his brother hunted the Monkey Rock country just west of Spruce Grove and bagged a nice buck each. One was a forked horn and the other a three pointer, each weighing about 90 pounds.

Al Speers as usual was at his old stamping grounds east of Cloverdale and came back with plenty of stories but no deer. Al tells the boys that he has passed up several shots at small bucks and is still waiting to get a big one in his sights. Those tales are hard to believe so we will reserve comment until Mr. Speers gets that big one!

George Archer tells us that the hunting is the worst in years in the Yorkville section of Mendocino county. Only one buck was taken by his party the opening week.

Mike Bertulucci of the Hilltop Market hunted near Booneville and they had plenty of shooting and got lots of bucks.

Shark Derby Entrants May Eat Their Prize Winner

Sharks in San Francisco Bay waters are good to eat, easy to catch, and, when properly prepared, better in taste than swordfish!

This new way to beat the high cost of living was revealed today by directors of the 4th Annual Coyote Point Shark Derby, scheduled for Sunday, September 17, at Coyote Point, San Mateo, and is based on information received from State Division of Fish and Game officials.

Requesting data from the State regarding uses for sharks caught in their annual fishing competition, only one of its kind in the United States, the Shark Derby committee directors received a letter from E. L. Macauley, executive officer of the Division of Fish and Game, which read as follows:

"I asked Mr. Croker (Richard Croker, chief of the Bureau of Marine Fisheries) for his opinion on the edibility, and this is the way he rated them: Of those found in the Bay, "soupin," "leopard," "smoothhound," and "sixgill" are good to eat. Personally, Mr. Croker prefers the "soupin," but the "leopard" is just about as good.

"The method of preparation is important, as when improperly prepared, shark meat is unpalatable. The shark has a rather primitive excretory system, and body wastes are not passed off as readily as in other fish. Consequently, shark meat must be kept on hand for several days before eating in order to let the ammonia-flavored wastes dissipate.

"Here's the way Croker does it. Cut off the head and body walls so that you have the trunk of the fish, or carcass as it is called in the trade. Tail and all the fins are also trimmed off. Next, skin the carcass. Then keep the carcass either whole or cut into chunks in the refrigerator for three or four days. Don't freeze it. Just keep it cold.

"Then you cook the fish, either by frying, steaming, baking, broiling, etc., garnished with all sorts of spices, onions, parsley, etc., if you wish; although just fried plain without garnishment, it is excellent. Croker assures me that it has any swordfish beat when handled in this manner.

"I am sure many of the contestants in the Shark Derby will find added enjoyment in their fishing if they were to take some of the sharks home and eat them."

When interviewed, Croker stated that he had served many of his friends shark meat and that they, not knowing at first what type of fish they were eating, found the shark meat delicious.

KEEPING BATTERIES UP

One of the first steps in keeping the battery properly charged is declared by the National Automobile Club as seeing that the generator is clean and the brushes are in good condition.

Gelsi's Tavern Drop Game 9-5

Ahead 5 to 0 in the last of the sixth with two men down, Gelsi's Tavern made an error and Mulkerburg brought in six runs to win the game.

Final score in the Sunday contest was 9 to 5, with Gelsi's on the short end.

Frank Cirimelli had everything under control on the mound in the last of the sixth, when one of the Mulkerburg boys drove a ball to second base. Gelsi's second baseman fumbled the horsehide and this opened the way for Mulkerburg's six runs.

Gelsi's, however, was in no position to play any kind of real ball as three of their players are now on vacation.

This Sunday the Daly City team will meet the S. F. Police nine in a 2 p.m. game at Marchbanks Park. As the majority of members of the Police team are former big league players, this should prove to be a fast paced game.

est deer each year and two of the boys failed to get into it this season. Well, you guessed it, both of them got nice bucks. Bill St. Claire got a nice three pointer and Bob Pollock bagged a swell forked horn that has a very wide spread.

Red Salmon Fishing In Lake Tahoe Promised Soon

California anglers may look forward to catching red salmon in Lake Tahoe after 1953.

Concluding the second phase of a joint four-year planting program with the State of Nevada, California's Division of Fish and Game has announced the stocking of 613,475 kokanee salmon in the high Sierra lake since 1949. The cooperative venture was started last year with the planting of 90,000 fingerlings in the Lake and its tributary streams.

With kokanee eggs purchased from the State of Idaho, the Bureau of Fish Conservation plans to continue the planting of fingerlings until 1953. After that time, natural reproduction is expected to build up the population sufficiently for good fishing.

The land-locked kokanee, as a game fish with practically no undesirable characteristics, is hoped to be the answer to better fishing in the huge lake. It does not feed on other fish and will not conflict with the local trout populations.

A four-year interval is required for the fingerlings to mature and spawn, after which anglers of both states may go after the fighting salmon.

Four California lakes were first planted with the landlocked salmon in 1941. Catches of 12- to 14-inch kokanees have been hauled out of 7000-foot high Donner Lake since 1948.

SOFTBALL LEAGUE

Four Teams May Tie For First Place; Big Game Tonight -- Amazon vs. Mkt.

With four teams in a possible four way tie for first place, the Daly City Recreation Department Softball League may go on until Christmas.

The Daly City Hardware, league leading team in the twilight division, suffered two defeats last week to take a third spot in the league standings.

After dropping two contests and tying one, the Mid-City Market nine have come back strongly and are now in the running for the championship.

If the Mid City boys defeat the Amazon A.C. tonight, August 17, they will throw the softball race into the four way tie and make a playoff necessary.

In Tuesday night's contest the Scout Dads defeated the Daly City Firemen by a score of 16 to 10. Wills was the batting star for the Scout Dads while Kennedy was the ace for the hosers.

A wild hitting spree, sprinkled with 19 errors by the Phil Lynch nine enabled the Colma Fire Department to defeat the faculty by a score of 13 to 12. Glenn South, who got 3 for 4 was the batting star for the losers.

George Claussen

Funeral services were held Monday from the chapel of W. C. Lasswell and Co. for George Claussen, 63, who died Saturday at the Campbell Sanitarium.

A retired San Francisco letter carrier, Claussen was living with his brother, Dan Claussen, 6143 Mission street. He had been a resident of Daly City for the past five years.

He is survived by his brother Dan and a sister, Mrs. Frances Hudson.

Inurnment was at Olivet Memorial Park.

Sabotage Is Suspected In \$400,000 Fire

Authorities today were investigating possible sabotage in the \$400,000 fire that destroyed a San Carlos chemical plant Wednesday evening.

A. C. Carlton Sr., the building's owner, blamed the fire and shattering explosions on either spontaneous combustion or, possibly, sabotage. The chemical firm was working on secret war time contracts.

Some 200 successive explosions shook the plant, and 35 minutes after the fire started at 8:30 p.m. the 12,000 square foot plant was burned down to its concrete-slab foundations.

Three firemen were injured, one seriously, while fighting the blaze. J. C. McLaughlin of San Carlos was treated after inhaling toxic fumes. He was in serious condition in the San Carlos Community hospital today.

County Plasterers Settle Strike

Ending a two-week strike, San Mateo county plasterers returned to work Monday.

The 100 AFL plasterers signed a two-year contract with the Peninsula Builders Exchange Friday. The agreement calls for a 12½-cent-an-hour increase, bringing their pay to \$3.12½ an hour. They withdrew their request for paid vacations.

With the settlement of the plasterers' strike, the San Mateo county labor front was quiet today.

Flaming debris which shot 300 feet into the air scattered a crowd of 2,000 who were watching the blaze and set off grass fires for hundreds of yards around the plant.

The plant housed two chemical firms—Chemical Affiliates Inc. and Western Associates Inc.

Navy Calls For Nurses

Seven thousand officers are urgently needed for the Navy Nurse Corps Reserve.

Appointments are made in grades of Ensign, Lieutenant (junior grade), and Lieutenant. Candidates may be either single or married. The main qualifications are: (1) be a United States citizen, (2) a graduate registered nurse, (3) between 21 and 40 years of age, and (4) be physically qualified by standards set forth for Naval officers.

The base pay per month of the above grades are: Ensign—\$213.75, Lieutenant (junior grade)—\$249.38, and Lieutenant — 313.50, plus allowances for quarters and subsistence when not furnished by the government.

The primary purpose of the Nurse Corps Reserve is to furnish nurses in the event of a national emergency. Members may in time of need be rapidly mobilized depending upon the needs of the military services.

Recorder's Office
Reports Busy July

While the majority of county residents were on vacation during July, there was no rest for the county recorder's office.

Ruth Kirste, recorder, reports that 6,724 papers for a total revenue of \$19,173 were handled by her office during July. This compares with 4,443 papers at \$11,103 for the same period one year ago.

Even Dan Cupid had a busy July month, with 138 marriage licenses issued as compared with 125 for July, 1949.

Send A Service Man
The D. C. Record—Free

As a public service, The Daily City Record will be sent to all Daly City men in the armed services free of charge.

Knowing how much news of the "home town" interests men away from home, the Record is reinstating its policy of World War II.

Parents and relatives of men now serving with any branch of the service may have the Daily City Record sent to their service men by calling PLaza 5-4321.

This offer is made to men who are from Daly City, Westlake, Broadmoor and Colma.

USE LOW BEAM IN FOG

If your car is not equipped with fog lights, use the low headlight beam when driving in mist or rain. advises the California State Automobile Association. Use of the upper beam causes its light to be reflected back into your eyes.

SF Muni Transfer Plan Approved

The Public Utilities Commission has approved a plan for a new Municipal Railway transfer which will be placed in effect this fall. The present punch transfers, considered obsolete by experts, will be replaced by strip transfers.

Strip transfers, widely used elsewhere, are held in a clip with knife-edge. The operator tears off the transfer to indicate the expiration time instead of punching this. The system is reported to make transfers quicker both to issue and check on collection. Col. Marmion D. Mills, the city's transit expediter, said in recommending them.

SALMON IN HUMBOLDT

Sport salmon fishing is declared by the National Automobile Club as being good on Trinidad and Humboldt bays.

Here Is Where Your Community Chest Money Goes

By June Dutton

A young mother was worried about her small daughter who would soon be attending school. The little girl had difficulty hearing and her mother feared for her future at school where she would be expected to keep up with the other children both in her studies and socially.

At a loss for an answer to her problem, the young woman called the council of social agencies in Burlingame. The council then referred her to one of the many agencies on its list. This agency helped the mother to work out her trouble by inviting her to attend a

"class" where she learned how to help her child herself.

This is only one small example of how the Council of Social Agencies serves San Mateo county. However, it does well to illustrate the purpose of the council, which is to provide over-all planning for needed services and intelligent coordination in the rendering of these services which pertain to the health, welfare and recreation of the people. This planning and coordination of service is the major interest of the council. It looks to its member agencies to carry out the services.

In addition to serving as a sort of "clearing house" for troubled individuals by referring them to the agency best equipped to solve their particular problem, the council also looks to the welfare of the county as a whole. The family and child welfare section of the council is now working on the problem of temporary care of dependent and neglected children who at the present time must be housed with delinquents in the juvenile home. This same section made a recommendation, accepted last year by the county, that the Division of Welfare of the Department of Public Health and Welfare in San Mateo county become a licensed adoption agency to alleviate the "black market" in babies.

The other two sections of the council, the health section and the group work and recreation section, are also responsible for their share of work for the public's welfare.

There is no doubt as to the value of the work being done by this council, one of the more than 300 councils of social agencies operating in the United States. And to insure its future which in turn helps to insure the future of San Mateo county, it needs not only

Full Scale X-ray Service Resumes

President Bradford M. Melvin of the San Mateo County Tuberculosis and Health Association today announced that the association will immediately resume, on a full scale, all of the assistance and service aids found valuable during World War II.

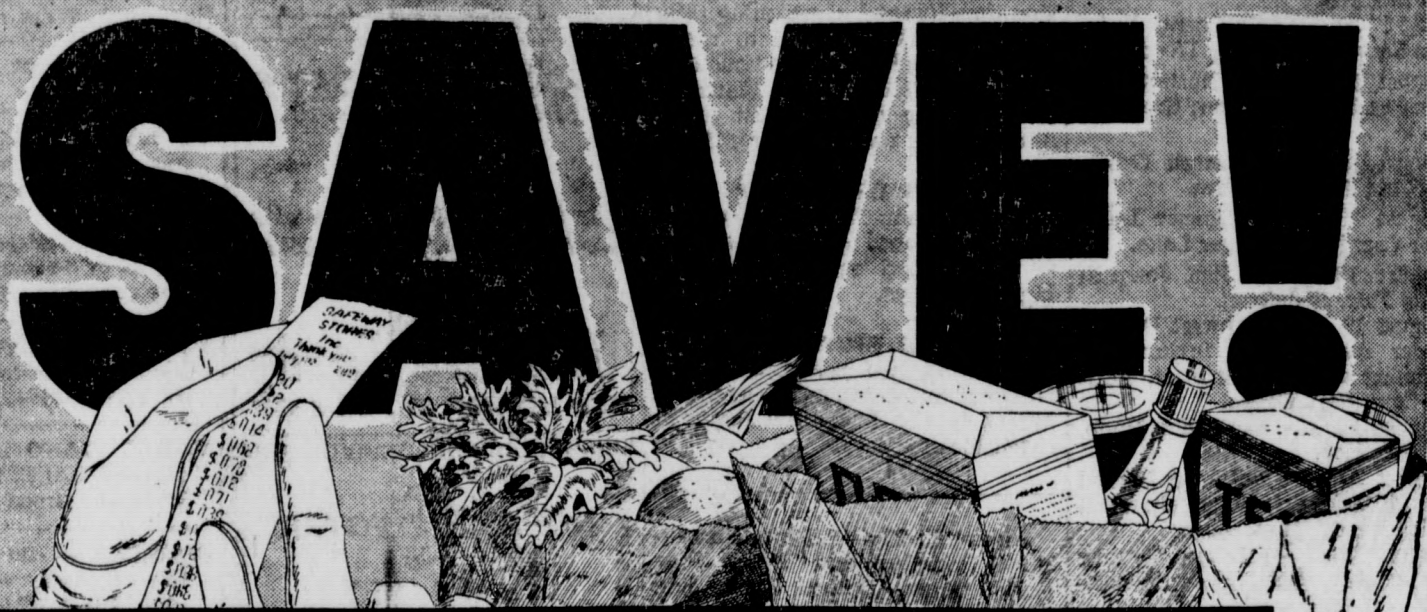

Particular emphasis is placed upon the free chest X-ray service available to all men and women when anticipating entry into the armed forces.

The association will be one of the first local agencies to return to a full, war-time program patterned upon experience gained in the last war.

Starting at once, the association is making its free X-ray service available to all persons contemplating enlistment or induction. Although the selective service and enlistment medical examinations include X-rays of the chest as a part of their routine procedure, it is recommended that the prospective service men or women take the additional precaution of a civilian examination prior to enlistment or induction. It is further recommended that they take advantage of the local, free chest X-ray program when they are released from service.

X-rays made prior to entering the service may afterward prove useful in proving service-connected disability.

The war-time services of the tuberculosis association will augment the program of aid already being extended to veterans. Like other services of the association, they are completely confidential and released to family physicians. The purchase of Christmas Seals makes all of this service possible to the people of San Mateo county.

MONO FISHING REPORT
Fishing is good in most of the higher areas of Mono county that are reached by hiking or horseback on trails, declares the National Automobile Club. Some nice catches are reported from Weber, Gem and Agnew Lakes above Silver Lake and from Fern and Parker Lakes. Fishing is slow even in walking areas of Mammoth Lakes, with the exception of Duck Lake which is good.

SAN BERNARDINO TROUT
Fishing in the North Fork of Lytle Creek, San Bernardino county, is reported by National Automobile Club as being good. This stream is frequently stocked by the State Fish and Game with catchable size fish. Elsewhere in the county fishing is poor.

Special express bus service will be maintained from downtown Sacramento to the Fairgrounds during the California State Fair, August 31 through September 10.

Court Survey Shows Fewer Divorces Of Home Owners

The close relationship between home ownership and family stability is a little like answering the question "which came first, the chicken or the egg?" according to Walter Renner Sr., realtor at 977 Geneva avenue.

"But in either case home owners are definitely more stable than those who do not own their own homes," said Renner.

Citing the final results and answers received from sixty-four judges throughout the country who surveyed on the subject by the National Association of Real

WALTER RENNER SR.

Estate Boards, the realtor pointed out that 91 per cent of the judges said that they had observed a less than average number of divorces among home owners. Eighty-nine per cent of the courts noted that there are fewer than average cases of juvenile delinquency among children raised in homes owned by their families.

However, Renner said, "it requires some stability in the first place to plan and acquire a home."

A judge in Iowa emphasized, "It is only in exceptional cases that a home owning family is involved in divorce proceedings."

Another phase in the relationship between home ownership and family separations was brought out by a Cleveland court judge, "The pride of home ownership coupled with the feeling that the marriage relationship is producing a haven for later years is one of the greatest deterrents to a disruption of family ties."

On the question of juvenile delinquency and its tie in with home ownership, a district court judge in Oklahoma stated that about 75 per cent of the delinquency cases tried involved children whose families did not own their own homes.

A Nebraska judge also stated: "I handle juveniles only when such are involved in felony cases. Most of these juveniles come from non-home owners in my experience."

Boiling down the final analysis of this survey it was Renner's opinion that these were stronger arguments for home ownership than was the economic advantages afforded by purchasing a home, inflation or no inflation.

The realtor reported that sales in the past month had increased 50 per cent over the previous month, partly due to credit restrictions, but urged families who could afford to buy a home, first to weigh the home ownership advantages that cannot be measured in terms of dollars, and to acquire any kind of a house for the mutual stability and happiness of parents and children.

Bank of America Offers New Service

L. M. Giannini, president of Bank of America, has announced that within the month that institution will be providing the banking public with an entirely new service that is timely, and one of the most progressive steps taken in banking in many years.

Nature of the new service was not revealed by the bank executive who stated that it would be publicly announced in about ten days, after officers and personnel of the bank had been acquainted with its workings.

"Public acceptance of this new departure in banking should place it high on our list of banking services," the president concluded.

SSF Community Chest Joins SM County Group

The announcement this week by Community Chest officials that the Community Chest of South San Francisco will join the Community Chest of San Mateo county makes the county chest the seventh largest in California, on the basis of population area.

The Community Chest serves 234,330 residents, according to the recent census figures.

Happy Birthdays!

Harry, the "happy baker," wishes the following local residents the best of everything on their coming birthdays:

Mission "Mile" Night Parade Set September 6

The first and only night parade for San Francisco's climax in its celebration of the year-long observance of the 100th anniversary of California's statehood will be staged Wednesday night, September 6. It will traverse the whole length of the Mission Miracle Mile, which is Mission street from 15th to Army.

This major phase of this city's Centennial Week September 2 to 9 will be sponsored by the Mission Street Merchants Association with that organization's president, Joseph S. Ravinsky, acting as general chairman of the whole affair, which will include a week-long carnival on the grounds at Harrison and Army streets.

Charles P. Teevin is the parade director and he promises a features of this night procession no less than 24 bands, 35 drum corps, 25 illuminated floats and a novel unit called "Dogs of All Nations," to be presented by Pets Unlimited. He said just as there will be representative people of many nations in the parade, there also will be dogs whose strains emanate from various nations.

Director Teevin also promises to introduce the only women's all-oriental marching band in the country as well as an Arabian section, featuring 25 fine Arabian horses and a troupe of Arabian dancers.

A second Centennial parade, on Saturday afternoon, September 9, will traverse the usual Market street route, from the Ferry building to the Civic Center.

The Mission Miracle procession, described as "a spectacular electrical pageant," will be led by Mayor Elmer E. Robinson and whoever is elected Centennial Queen in a city-wide contest, now under way and which will be decided August 24.

The Mission Miracle Mile is now being decorated for the forthcoming gala event and General Chairman Ravinsky estimates the cost of these decorations, including special illumination effects, will be about \$10,000.

Annual Badminton Tourney Slated Next Wednesday

By Beverly Clement
Wednesday, August 23, the Daly City Recreation Department will hold its second annual Badminton Tournament in the Jefferson High school gymnasium at 7 p.m. This tournament is open to local adults and teen-agers who enjoy playing badminton. The divisions are: open men, open women, and doubles.

Gold trophies, in the form of a badminton bird, will be presented to the winners by the Recreation Department. Look for these trophies in the Daly City and Serra theaters where they are on display along with entry blanks and other information about the tournament.

Anyone wanting to play should either call the Daly City Recreation office, PLaza 5-0477, and give your name, address and division you desire to play in, or sign up at the Game room which is located directly in back of the Jefferson High school auditorium. Entries will close this Monday, so hurry and enter.

Tournament birds and racquets will be furnished by the Recreation Department, but the contestants must furnish their own gym shoes. For all of you fans who can not play badminton and who want to see the local talent at their best, this will be an excellent opportunity.

Visiting Nurses
Fund Drive Opens
Next Monday

The Visiting Nursing Association
of San Mateo County will conduct
its first fund raising drive starting
next Monday, August 24, it was
announced today by Mrs. George
V. Kulchar, association president.

The drive will continue for three
weeks of intensive campaigning by
volunteer workers. Mrs. Kulchar
stated. A fund goal has been set
at \$25,000 which is the minimum
amount needed for the nursing
service to carry on its vital pro-
gram for the 1950-51 period.

The visiting nursing organiza-
tion, Mrs. Kulchar pointed out, is
partially self-sustaining and was
formerly associated with the county
Red Cross. However, following
the policy of the Red Cross to act
as a "proving ground" for new
services, it was felt that the nurs-
ing service had "grown up" suffi-
ciently during the past 15 years to
be set up as an independent county
service.

As an independent unit, the
visiting nursing service must now
seek to raise those subsidy funds
formerly provided to it by the
Red Cross.

Mrs. Kulchar explained that a
large percentage of the cost of the
visiting nursing service is met by
county residents who pay a mini-
mum fee for professional nursing
care in the home on a visit basis.

However, there are some resi-
dents, Mrs. Kulchar said, whose
finances, due to various circum-
stances, are so depleted that they
can make only token payments in
return for nurse service. And there
are other patients, Mrs. Kulchar
further explained, who must be
taken care of entirely without
charge. These are two of the im-
portant reasons why subsidy funds
must be raised to maintain the
visiting nursing service at its pres-
ent efficient level.

Due to the fact that their orga-
nization provides county physicians
and their patients with an imme-
diate and economical nurse service,
Mrs. Kulchar feels that it would be
a disaster to permit its present
staff to be reduced in any way be-
cause of lack of funds.

"Robin Hood"
To Make Showing
At SM County Fair

In line with the fairyland theme
of the San Mateo County fair and
floral fiesta, a special play is to be
produced based on a modern ver-
sion of Robin Hood in a natural
setting of the Sherwood Forest, it
was announced today at the admin-
istration office for the fair in San
Mateo.

Don Russell, from the Pasadena
Playhouse, who has directed play
events for Santa Barbara, Phoenix,
Honolulu, Long Beach and other
cities, is to direct and stage the
show at the San Mateo fair
grounds. A professional actor, for-
merly with the Duffy Players, Don
Russell is now taking a graduate
course in the speech and drama
department at Stanford Univer-
sity. He was recently identified
with civic pageant work at Palo
Alto. Ralph Knott of Hillsborough
is to be assistant director.

Title of the play to be produced
on San Mateo Day at the fiesta is,
"It's a Feather in Your Cap,"
by Katherine Wilkinson, who
wrote it for the Junior League of
New York City. It is sponsored by
the Community Chest of San Ma-
teo County and produced under
auspices of the San Mateo Cham-
ber of Commerce.

A stage on the stage in the mam-
moth tent on the fair grounds will
be enveloped in a wooded back-
ground to be prepared by the
Christensen Nursery of Belmont,
to include a waterfall, trees, shrub-
bery and grass.

Free glimpses of the moon and
planets will be available through
the medium of a reflector-type
telescope during the California
State Fair, August 31 through Sep-
tember 10.

Approximately 450 purebred
show horses will participate in the
famed Horse Show during the Cali-
fornia State Fair, August 31
through September 10, many at-
tracted by the Seventh Annual
Futurity of the California Horse
Breeders Association.

More than 500 oils alone were
entered in the Outdoor Art Show
competition at the California State
Fair, August 31 through Septem-
ber 10, a new record.

Lt. Martin Now Fighting In Korea

Word was received this week
from Lt. Donald Martin, nephew
of Mrs. A. A. Black, 109 San Diego,
now fighting on the Korean front.

Daly City residents will remem-
ber Lt. Black as the gentleman
who rode on the prize winning
Eagles float in the May Day pa-
rade last year.

Lt. Martin, a native of Atlanta,
Georgia, was here for several
months last year awaiting transfer
to Japan.

The lieutenant is now with the
famed 24th Infantry Division, and
has been in the thick of the fight-
ing since the north Koreans swept
to the south.

In a letter to his mother, Mrs.
Black reports, Lt. Martin said:
"We didn't have much to shoot
with when the war started. In
fact we had to get our weapons
and ammunition from the south
Koreans. . . we are kept in the
dark as to the grand plan."

Closing his letter, Lt. Martin
said: "Don't worry, I'll be back."

SAFETY MARGIN

When passing other cars on the
highway, give yourself a generous
margin of safety, urges the Califor-
nia State Automobile Association,
which offers this suggestion:
"Overtake and pass only when you
are sure you can easily make it
safely."

PROTECT SIDEWALLS

Care should be used to prevent
scraping of tire sidewalls against
the curb when parking or moving
away, warns the California State
Automobile Association. Scraping
of sidewalls weakens the tire car-
cass, thereby increasing the blow-
out hazard.
